

Alicia McLain

MA, PMP, CSP, ICP

AGILE COACH

Summary

Alicia is a Lean Agile Transformation | Executive Coach with over 20 years of experience in the technology industry with leadership positions in program management and software development management. Her clients are in a variety of industries: Department of Defense (DoD), Food and Drug Administration (FDA), Medical Device, Medical Research, Software Engineering and Manufacturing. Alicia coaches, trains and transforms mid-size to large companies domestically and internationally. Alicia has a keen eye for organizational systems and is passionate about using Agile practices to build high performing teams

Experience

Agile coach and trainer, Alicia has had 11 years in the Agile community as a hands on transformation leader, trainer and coach. She is Adjunct Faculty at UCSDX and teaches Agile in the Business, Science & Technology curriculum. Alicia is the Founder of the Agile Coaching Exchange in North America. The focus of this group is to build community and provide resources for Agile coaches of all levels. Alicia has launched 'The Emergent Leader' series, a series of workshops for attendees to build skill in leadership and organizational agility.
